Marion Grace makes CD release a fashionable event

From staff reports

Local rock band Marion Grace released its debut album earlier this week. On Saturday, the band is celebrating in style (literally) with a CD-release party. The band will be joined in performance by Sly Chi and the Adam Ezra Group. Go to www.mariongracemusic.com to stream music (click on image of the CD cover). The CD-release party also features a show of men's fashions by local eco-fashion designer Meredith Alex. This is a 21-and-older show. Tickets at Bull Moose music stores and at www.portcitymusic hall.com.
